

CERTIFIED PROCUREMENT SPECIALIST (CPSp)

Certified Procurement Specialist (CPSp)

Hadirnya Peraturan Presiden RI No. 12 Tahun 2021 yang merupakan perubahan atas Perpres 16 Tahun 2018 tentang Pengadaan Barang/Jasa pemerintah menyatakan bahwa kewajiban memiliki sertifikat kompetensi bagi pejabat pengadaan. Kompetensi profesional pengadaan dibangun berdasarkan kluster proses pengadaan sesuai dengan keputusan BNSP No: 0932/BNSP/IX/2017 dan berdasarkan SKKNI sesuai KEPMENAKER No. 70 Tahun 2016.

Untuk mengoptimalkan kinerja pengelola unit pengadaan di setiap organisasi, maka dibutuhkan tenaga terampil dan memiliki sertifikat kompetensi, sehingga mampu memberikan nilai tambah terhadap penilaian organisasi, hasil pengadaan serta menekan biaya pengeluaran secara sistematis sehingga dapat meningkatkan laba/efisiensi biaya organisasi.

Certified Procurement Specialist (CPSp) bertujuan agar para peserta mampu melaksanakan proses Pengadaan Barang/Jasa (PBJ) dari perencanaan pengadaan sampai dengan penetapan penyedia barang/jasa. Sehingga akan menghasilkan efisiensi pengeluaran biaya PBJ bagi organisasi yang berujung pada peningkatan laba/efisiensi biaya.

The presence of Presidential Regulation No. RI. 12 of 2021 which is an amendment to Presidential Regulation 16 of 2018 concerning the Procurement of Government Goods/Services states that it is the obligation to have a certificate of competence for procurement officials. Procurement professional competence is built based on the procurement process cluster in accordance with BNSP decision No: 0932/BNSP/IX/2017 and based on SKKNI according to KEPMENAKER No. 70 of 2016.

To optimize the performance of procurement unit managers in each organization, skilled personnel and competency certificates are needed to provide added value to organizational assessment, procurement results and systematically reduce expenditure costs to increase organizational profit/cost efficiency.

Certified Procurement Specialist (CPSp) aims that participants are expected to be able to carry out the process of Procurement of Goods/ Services (PGS) from procurement planning to the determination of providers of goods/services so that it will result in efficiency of PGS costs for the organization which leads to an increase in profit/cost efficiency.
