

QUALIFIED CHIEF RISK OFFICER (QCRO)

Qualified Chief Risk Officer (QCRO)

Program Pelatihan Sertifikasi Qualified Chief Risk Officer (QCRO) ini dirancang untuk memenuhi kebutuhan industri akan profesional yang ahli dalam manajemen risiko, sesuai dengan regulasi Otoritas Jasa Keuangan (OJK) Nomor 17/POJK.03/2014 dan POJK Nomor 18/POJK.03/2016. Kedua regulasi ini menggaris bawahi peran penting manajemen risiko dalam menjaga stabilitas dan kinerja organisasi, menjadikan sertifikasi QCRO krusial bagi pejabat yang memegang tanggung jawab ini.

Diakui oleh Badan Nasional Sertifikasi Profesi (BNSP), pelatihan QCRO berlangsung selama dua hari dengan delapan unit kompetensi yang mencakup prinsip, kerangka kerja, kepemimpinan, dan tata kelola risiko. Pelatihan ini dilaksanakan secara tatap muka, memberikan pemahaman mendalam melalui diskusi dan studi kasus praktis, serta diakhiri dengan ujian sertifikasi oleh LSP Mitra Kalyana Sejahtera (LSP MKS) untuk memastikan kompetensi peserta sesuai standar nasional.

Sertifikasi QCRO memberikan keuntungan signifikan bagi individu maupun organisasi. Bagi individu, sertifikasi ini meningkatkan kredibilitas dan prospek karier. Sedangkan bagi organisasi, memiliki Chief Risk Officer bersertifikasi memastikan penerapan manajemen risiko yang efektif, sesuai dengan SNI ISO 31000.

The Qualified Chief Risk Officer (QCRO) Certification Training Program is designed to meet the industry's need for professionals skilled in risk management, in line with Otoritas Jasa Keuangan (OJK) regulations No. 17/POJK.03/2014 and No. 18/POJK.03/2016. These regulations emphasize the critical role of risk management in maintaining organizational stability and performance, making QCRO certification essential for officials responsible for this area.

Recognized by the Badan Nasional Sertifikasi Profesi (BNSP), the QCRO training spans two days and includes eight competency units covering risk principles, frameworks, leadership, and governance. Provided through direct in-person instruction, this training provides deep insights through discussions and practical case studies and concludes with a certification exam administered by LSP Mitra Kalyana Sejahtera (LSP MKS) to ensure participants meet national standards of competence.

QCRO certification offers significant benefits for both individuals and organizations. For individuals, it enhances credibility and career prospects. For organizations, having a certified Chief Risk Officer ensures the effective implementation of risk management aligned with SNI ISO 31000.

Topik :

1. Mengembangkan penerapan prinsip-prinsip manajemen risiko sesuai SNI ISO 31000.
